

Position Available

My Care My Choice is seeking

Board Chairperson

Skills and Experience – Commercial background, expertise in advertising/marketing, sales or brokerage (ideally experienced in online focused business), community service connections, shareholder communication, negotiations, partnership development, experience in mergers and acquisitions, business analysis skills and governance acumen.

Personal qualities - Innovative strategist, able to develop long term vision as part of a team, good communicator, able to work with a diverse range of stakeholders and has strong sense of social justice/equity. A leader able to network and be an advocate for the organisation.

My Care My Choice

WA based social enterprise business, online service directory and rating and reviews to create a consumer driven platform, enabling choice and control for people requiring support services.

Supporting aged care, mental health and disability support sectors.

Largely online operations in small, new business with significant potential for growth as a recognised need in the industry.
